The TMI Difference

Do audits give you sleepless nights? Do your calibration and repair budgets balance? Do you really know how much equipment you have and

where it is located? If not, call TMI to discuss our comprehensive asset management service.

We will help you assess your overall equipment support needs to determine the most cost effective solution.

Have the **TMI** advantage with:

- ✓ Single point of contact
- ✓ Reduced costs
- ✓ Control over assets
- ✓ Reduced turn around time
- ✓ Reduced down time
- ✓ Improved quality
- ✓ Improved customer service
- ✓ Technical support
- ✓ A “virtual” inventory
- ✓ Support management reporting and data analysis
- ✓ Increased equipment availability
- ✓ Continuous improvement processes that support root cause analysis
- ✓ Smoother ISO implementation and audits

Comprehensive services include:

- ✓ 17025 accredited quality system
- ✓ Option to have your in-house lab accredited
- ✓ Trained TMI staff dedicated to your site
- ✓ Calibration
- ✓ Repairs and PMs
- ✓ Web based software and database management
- ✓ 3rd party & OEM vendor management
- ✓ Multi shift coverage & 24/7 support
